

The World's Largest Concert® (WLC®) has been the highlight of Music In Our Schools Month® (MIOSM®) (March 2010) since 1985. A sing-along concert linking students around the world through music, the WLC reached an estimated 6 million students, teachers, and music supporters in recent years. The WLC sing-along event will be on March 11, 2010 at 1:00 p.m. Eastern Time.

In 2010, Mackinaw Middle School's Choirs will be joining together to perform in the WLC. These 85 students are singing a collection of eight multi-cultural songs at the same time as millions of students nationwide in order to participate in something bigger than themselves, feel connected to others and to perform music from many different cultures. At a time when the communities throughout America are feeling the loss of time and resources to support the Arts and Culture of our country, it is very important for us to hear the collective voices of our children as they share a vital part of education and our way of life.

The concert is being held at Mackinaw Trail Middle School, 8401 S. Mackinaw Trail in Cadillac.

MENC: The National Association for Music Education
