## FROM THE PRINCIPAL

Our Title 1 Family Night was a huge success. Thank you for joining us for an evening of food, fun, and prizes. Thank you to our reading coordinator, Jennifer Wilhelm, our Title 1 aide, Jan Guest, and to the Forest View teachers who helped with this event.

Mrs. Orshal is coordinating the Jump Rope For Heart fundraiser for the American Heart Association. Jumping rope is a great way to stay in shape during the cold winter days and students who take pledges (optional) will be helping a very worthwhile cause as well. Make sure you have your Volunteer Permission Form signed and sent in before this event if you are planning to attend. This school-wide event will take place on February 13!

Our PTO will host the monthly meeting on Monday, February 4 at 6:00 P.M. If you would like to know what's going on at Forest View then this is the place to learn. Free child care is available during the PTO meeting.

Thank you for all you do as parent to ensure that your children are prepared for and doing well at school: serving nutritional meals, making sure your children have plenty of rest, and expecting good behavior from them at school and at home.

Have a great weekend!

## Cadillac Community Schools Ski Program

## GIVE KIDS A SMILE

Drs. Chris and Billie Ritzema, and their professional staff, were here today as part a preventative and restorative dentistry program conducted through the "Give Kids a Smile!" program. This program is for Second Grade and Primary students.
