FROM THE PRINCIPAL

Mr. Allan Verhagen, Yoplait representative, was here on Tuesday to present Mr. Liabenow, our district's superintendent, with a check for \$12,000. The money will go to the wellness programs at Forest View, Lincoln, and Franklin Schools. Thank you, Yoplait, for your generosity and commitment to wellness within our community.

Wednesday evening's Spring Sing performed by our 3rd-5th grade students was fantastic. Thank you to Mrs. Adams for all of her dedication and work to make this program such a huge success.

Please send a note with your child if he/she has a change in after school plans. If you have an unexpected change, call the school office before 3:00. Calls made after 3:00 do not give us enough time to make proper arrangements and your message may not make it to your child before the end of the school day.

CAPS will be holding Kindergarten Round-up the week of May 5-10. Forest View will host the round-up on Monday, May 5. Please register in advance by calling 876-5100. **Our Kindergarten students will not be in school on May 5, due to Round-up.**

I am beginning to look at class lists for the coming school year. While I appreciate your input and desire to express needs your child might have, we have eliminated teacher requests by name. Instead, please express your child's classroom needs to the office in writing by Friday, May 9. For example, some children may need a very structured and predictable routine, whereas another child may need a more open environment. Please take time to discuss your child's needs with his/her teacher so that classes may be set up to meet the needs of all students.

Have a great weekend!
