FROM THE PRINCIPAL

Thank you to everyone who helped make our Thanksgiving Food March a huge success. We were able to provide 14 overflowing baskets for Forest View families. A special thanks to Save-a-Lot for helping to put together the perishable items for our baskets at a great price!

This week our 3rd grades earned over \$250 from their Project Christmas bake sales which were held on Tuesday and Wednesday. Next week our 4th graders will be holding their Project Christmas bake sales on Tuesday and Wednesday. The students will shop for Project Christmas items and deliver them to the Civic Arena on Friday, December 7. There will be a Project Christmas collection box in the entryway next week. Please feel free to send in donation items to help make Christmas merrier for needy families in our area. We will send this box of donations with our shoppers next Friday. Thank you for your help.

Forest View's before/after school free tutoring program began on Monday. Please consider using this free after or before school program for your child. First and second grade students can register for Tuesdays (3:45—4:30) and/or Thursdays (8:15-start of school). Third, fourth, and fifth grade students can register for Mondays (3:45-4:30) and/or Wednesdays (8:15-start of school). Registration forms are available in the brochure rack outside of the office door.

Planning for the Worst.....Part 4

A snapshot could be a lifesaver- Keep a current picture (like a school picture) of your child with you at all times. Not only will the photo bring a smile to your face, it could be essential to helping locate your child quickly if you get separated.

Memorize the essentials-I have found it surprising that a great number of our students do not know essential information: address, phone numbers, etc. Even young preschoolers can learn their first and last names, and kindergarteners should have memorized their address, phone number and their parent's full names before their first day of school.

Remember: Our Jr. Kindergarten through 2nd grade students will perform their Christmas concert on Friday, December 7. Students should arrive at 6:45 P.M. for the 7:00 P.M. performance.

Have a great weekend!

VOLUNTEERS

All volunteers and classroom visitors must have a volunteer form filled out and processed through the State of Michigan ICHAT program before being allowed in the classroom. Forms are available outside the school office. We only need one form per person. If you have any questions, please call the school office at 876-5100.

Ski Program

Ski forms were sent home with students in grades 3-5. The program will begin on Tuesday, January 8, 2008 (weather permitting). Students must confirm on Monday mornings when they will be skiing on Tuesdays (payments should be made on Mondays, credits will carry over if not used but students will still need to sign up on Mondays). We are looking for parent volunteers to chaperone after school on Tuesdays until the ski bus returns to school. Please call the school if you are interested in volunteering.
