# LINCOLN "COOL" SCHOOL NEWS

## PRINCIPAL'S POINTS

Thank you to everyone that participated with our magazine sale! We did well for this first time sale. We didn't make our goal but grossed approximately \$2,800.00! Way to go everyone!

We had some of the Cadillac Viking Football team here to visit for lunch today! Lincoln students have been invited to join with the Forest View students to form a tunnel for the team for the home game tonight, Friday, September 14th. Each of our Lincoln Students received an entry pass that will get them in to

the game for \$1.00 when accompanied by an adult. If your child is to participate with the tunnel they will need to be at the north end of the bleachers by 6:50 p.m. There is a tailgate party before the game. Come get a free hot dog and pop from 6:00-7:00 p.m. in the High School parking lot. This is sponsored by the Cadillac 9 & 10 News Sports Overtime with Cadillac Viking Boosters serving! GO VIKINGS!

Michigan weather is always changing! This time of year it is cool in the morning and might

be warm in the afternoon. Please send your child dressed appropriate for outdoor play. All children are outside during some part of each school day! Dressing in layers in great for this time of year! Please also put your child's name inside of their coat or hat. It helps to locate the owner of these items just in case they may get misplaced!

Everyone have a great weekend!

Hanson

## PRACTICE DRILLS

Throughout the school year we will hold fire drills, weather related drills (tornado drills) and homeland security drills (lock down drills). Please keep in mind that these are only for the staff and children to practice what they should do if the need were to arise. We have already

had 3 fire drills this year! Should you have any questions regarding this, please feel free to call the office.
